

“Gingerbread House” Contest Rules

- You can use a pre-made kit if you choose.
- You are encouraged to make your own “house” completely from scratch if you choose.
- Your “house” need not be made of gingerbread.
- Decorate your creation with anything you like – the ingredients need to be edible. If you wouldn’t eat it – don’t use it!
- Feel free to interpret “house” as loosely as you want to (it should however resemble a structure of some nature but imaginations and creativity are encouraged)
- Prizes awarded in Children, Family, Adult and Visitor’s Choice categories.
- Entries must be turned in no later than 3pm, November 28th Lights On!
- Winners will be announced at the Holiday Lighting on November 28th at approximately 4pm.
