

# BUSINESS PARTNERSHIP PROGRAM GROUNDS FOR SCULPTURE

## ART, OPPORTUNITY & COMMUNITY CONNECTIONS

Join with a special group of business leaders in our community who care deeply about keeping the arts alive in New Jersey! The Grounds For Sculpture Business Partner Program (BPP) represents an exciting and significant partnership between area businesses and art in our community. The business community's membership and participation play an invaluable part in GFS's growth and success by helping GFS to present new exhibitions, financially sustain its permanent collection and enhance its programs for children and adults.

Enjoy the privileges of support – gain visibility for your business and enhance the quality of life for the public, your clients, and your employee. To show our appreciation we offer the following benefits for each member of the GFS Business Partner Program (BPP).

*For more information on becoming a member of the GFS Business Partnership Program, or to craft a Business Partnership Program exclusively to meet your business needs, please contact Karen Hollywood at [khollywood@groundsforsculpture.org](mailto:khollywood@groundsforsculpture.org) or call 609.249.0248*
