ART, OPPORTUNITY & COMMUNITY CONNECTIONS

Grounds For Sculpture's **Business Membership Program** offers opportunities for businesses to engage with all the park has to offer. This 42-acre sculpture park, museum and arboretum located in Hamilton, NJ is an oasis of beauty, where art and imaginatively landscaped gardens awaken the senses, enhance well-being, and stimulate reflection.

Grounds For Sculpture is a resource for the business community with meeting and event spaces, the Zagat rated Rat's Restaurant, private team building, and tour experiences focusing on art and horticulture. The **Business Membership Program** offers additional access and benefits for your business, staff and clients. The tiered membership levels include admission to the park, a variety of team building workshops, wellness activities and a range of discounts.
